Please note that in the case of a home swimming pool/spa all safety precautions and legislation must be adhered to regardless of this area being 'out of bounds.' The risk of death of a child in care from drowning or indeed for any reason is a tragedy and subsequently requires strict adherence to the current laws and legislation. Supervision is to be always adhered to.

As a service we require absolute adherence to those laws and ultimately to the safety of children in our care.

Educator's Name _____ Educator's Contact Number _____ Pool/Spa Safety Cert renewal date: _____

Educator's Address _____
