Departmental Updates

Carer renewal assessment terms have moved from two years to three years. Find out more [here](#)

Training for Carers

Our First Carer Support group will be held in March 2023. More details to follow in the next newsletter. We have online training for carers that you can do from the comfort of your own home and at a time that suits you. Talk to your case worker to enrol now. Evolve therapeutic services has upcoming training about the impact of trauma and adverse relationships for Children in care. Please chat to your case worker for more info.

December Events

Thank you to everyone who attended our carers lunch and the kids Christmas Party. I'll organize to have case workers send photos to you directly! We'd like to wish you and your family a prosperous new year.

Carer Compliance

Just a friendly reminder to check the expiry date on your blue cards and update if needed. Please click the link [here](#) to go straight to the blue card portal and chat to your case worker for further support.
